THE WESTMINISTER CONFESSION OF FAITH

SCOTT RASK - ROOM 5

Ever since "Jesus is Lord" in the first century and the Apostles' Creed soon after, the Church has used creeds, confessions, and catechisms to summarize beliefs, to refute heresies, to lead to a better understanding of Scripture, and to better love and honor God. In the 17th Century, a group of men spent years compiling the Westminster Standards, containing the Westminster Confession of Faith, the Longer Catechism, and the Shorter Catechism. Let's consider the significance, purpose, and origins of the Westminster Confession.

FIRST HALF TERM
FEB 1 - MAR 8

REDEMPTION ACCOMPLISHED AND APPLIED

DON GRIFFIN- ROOM 16

Let us glorify God by thinking deeply together about his great work in the history of redemption as we explore John Murray's book Redemption Accomplished and Applied. As Murray puts it: "we are dealing with the mystery of godliness, and eternity will not reach the bottom of it nor exhaust its praise. Yet it is ours to proclaim it and continue the attempt to expound and defend its truth."

COMMUNICANTS CLASS

TYLER CLEMENTS - ROOM 17

The goal of this 6-week class is to affirm the faith of our 6th-grade children and provide age-appropriate instruction from the Scriptures and the Westminster Confession of Faith and Catechisms. Because of the significant role parents play in the spiritual formation of their child, at least one parent/guardian is expected to participate alongside the child. After completing this class, children will have the opportunity to profess their faith in Christ before the elders and declare their faith by participating in communion in the worship service as full communing members of our church.

NOTE: Classes will pause on March 16th for Donut Hour.
